

# Speak to Me

Key of E

Emily Maloney, Andrew Enos, & Brian Eichelberger

## Verse 1:

A F#m C#m  
Whether at your feet I rest or in the cave I dwell  
A F#m C#m  
I just want to meet you and to know you well  
A F#m C#m  
Whether on the mountain high or in the valley low  
A F#m C#m  
lead me in the way your river flows

## Chorus:

C#m A E C#m  
Speak to me I want to hear your voice like thunder  
A E  
Your glory to fall like rain  
C#m  
I want to feel the weight of wonder  
A E  
Spirit speak to me

## Verse 2:

A F#m C#m  
When fear and uncertainty stand so tall  
A F#m C#m  
Your tender-hearted love breaks down my walls  
A F#m C#m  
Your comfort through the storm is all I need  
A F#m C#m  
Your presence in the chaos is my peace

## Bridge:

A B  
In the stillness You are with me

A                  B  
In the wild You are there  
E/G# A                  E/G# B  
In my wandering You never leave me

So let Your voice be all I hear

I can hear You speak to          me
